Hickory River Agrees to Donate (%):

Upon approval of your event, Hickory River Smokehouse will provide you with a Dine to Donate Fundraiser Flyer. Your organization is responsible for the printing and distribution of the flyer at your expense. We recommend sharing the flyer in-person, as well as through email and social media to increase exposure. We recommend at least 250+ flyers be distributed prior to the event in order to be successful. Hickory River Smokehouse agrees to donate the percentage indicated above, based on total net sales made by supporters of your organization during the specified date and time. We restrict the fundraiser to only those supporters of your organization who have shown the flyer.
